1949 SPRING LIST

AERIDES - Small blooms, free flowering, flowers last well,
are numerous and very fragrant. Fine plants, many in bud.

AFFINE - CRASSIFOLIUM - MULTIFLORA - MITRATUM (rare)
QUINQUEVULNERUM - - - \$7.50 to \$12.50

BRASSOCATTLEYA - Many fine hybrids from France.

CATTLEYA - We are Los Angeles agents for H.J. PATTERSON & SONS
of New Jersey, and their list will be well represented at
our nursery, from community pots to flowering size plants.
Also, you will find in the nursery, many fine hybrids from
France, Laeliocattleyas, Cattleyas and Sophrolaeliocattleyas.

CYMBIDIUMS - Our collection contains some of the finest in the
world, their having been purchased in quantity from the
finest stocks in England. We have a few plants of select
varieties of CYMBIDIUM JUNGFRAU, BODMIN MOOR, SWALLOW,
DORCHESTER and ROSANNA at the most reasonable prices to be
found anywhere.

CYPRIPEDIUMS - To our present high quality collection we add, by
importation from England this Spring, about 500 fine hybrids,
many of named variety. By buying in this large quantity, we
are able to offer them to you at quite a saving.
